Preventable injury is the leading cause of death for children in the U.S. This is a problem we can fix. You can help.

Become a Safe Kids Missoula Safety Advocate.
Help us give all children the chance to grow up safely and become whatever they can imagine by joining the Safe Kids Missoula Safety Advocates.

What is a Safe Kids Missoula Safety Advocate?
A Safe Kids Missoula Safety Advocate helps educate, raise awareness, and create safer environments to protect children from preventable injury at home, on the road, and during play.

Why is it important?
Each year, thousands of families lose children to preventable injuries from car crashes, poisoning, drowning, and more because they don’t have access to information and resources they need to keep kids safe. It takes people like you to raise awareness about safe practices and resources available in our community to make a difference.

What are the benefits of being a Safe Kids Missoula Safety Advocate?
The biggest benefit is helping save lives! Additional benefits include:

• An open invitation to attend Safe Kids Missoula meetings and serve on special project or event planning committees
• An opportunity to connect with a network of more than 30 community safety experts and partner agencies
• Quarterly raffle prize drawings
